

Spring is a Dream this year

March 31, 2017

Spring is here, summer is on its way and a sun-filled balcony of the Dream Condo, overlooking the beach in Port Stanley, beckons.

LONDON, Ont. - After a winter that never seemed to want to quite leave, it's time to Dream again.

Dream Lottery is back for spring 2017 with the exciting chance to win carefree, first-class living in London or an exceptional barrier-free condo home overlooking the beach in Port Stanley or one million dollars cash instead.

The furnished **Bridlewood Dream Home** in North London boasts carefree living with money to cover a year of house cleaning, lawn maintenance, groceries, tax payments, and gas for the Land Rover Evoque convertible that comes parked in the garage. There's also \$60,000 in "fun" money for any little extra you desire.

The furnished, three-story **Prespa Dream Condo** home overlooking the beach in Port Stanley has widened doorways, walk in showers and an elevator for barrier-free living, a Jaguar F-Type convertible in the garage and \$100,000 in cash to play with.

Or, with **\$1 million in cash**, you can bring your own dream to life.

Of course, there are multiple early draws - from the Loyalty Draw of \$1,000/week for a year, to the VIP draw for Caribbean vacations, a Bonus Draw for European vacations, along with vehicles and vacations in the Early Bird Draw; so, the earlier a ticket is bought, the more chances there are of winning.

The **50/50 Plus™** is back too, with a guaranteed payout of \$250,000 and a total prize pool that can keep growing. Last spring it reached a record \$951,870 with the winner taking half. A Dream Lottery ticket must be purchased in order to be able to buy into the 50/50 Plus.

New this spring is a Dollars, **Destinations & Design Calendar**. If you've ever dreamed about seeing Dream Home décor in your own home, the calendar is your chance to have that happen. It provides a fabulous prize each day for an entire month, including the chance to work with one of the fabulous Dream Designers.

Like the 50/50 Plus, a Dream Lottery ticket must be purchased in order to be able to buy a calendar. However, there are a limited number of calendars available, so it's best to buy early before they are all gone.

Every Dream ticket changes a life.

Everyone knows that winning a big lottery prize will change the winner's life, but did you know that each purchase of a Dream Lottery ticket also helps change the lives of hospital patients from across Southwestern Ontario?

Each year, hospitals in London receive more than a million and a half patient visits from across the region and beyond to access the specialized services found at London Health Sciences Centre, Children's Hospital at LHSC and at St. Joseph's Health Care London.

According to LHSF President and CEO John MacFarlane, that's an important differentiation between Dream and other lotteries.

Dream Lottery has raised \$29 million (net) for the hospitals since 1996. Those funds continue to provide innovative technology and equipment, support for ground-breaking research, and continuing medical education and training that enables doctors, nurses and staff to provide exceptional, patient-centred, life-changing care.

"Dream Lottery proceeds stay local, to help ensure that everyone in our region has access to the advanced health care resources at the hospitals in London," says MacFarlane.
